

# Lesson

## Part 1: *Intro*

Students will be introduced to CART in a lesson in the teaching area of the library.

10 min.

*Need: CART presentation, SmartBoard*

## Part 2: *Activity*

Students are broken into pairs. Two pairs will work on the same topic, making a *Topic Group*.

- Online Resource Group: One pair in each topic group will use CART to find one more-useful online resource and one less-useful online resource.
- Print Resource Group: The other topic group will use CART to find one more-useful print resource and one less-useful print resource.

20 min

*Need: Activity write up, CART evaluation sheets, computers with Internet connection, online catalog, print resources*

## Part 3: *Conclusion*

Both pairs in the topic group come together and introduce their resources to the other group.

They use the Topic Group Share sheet to guide their conversation.

10 min

*Need: Topic Group Share Sheet for each topic group*
